PROFILE SUMMARY

Detail-oriented **Python Full Stack Developer and Web Application Developer with a Bachelor's degree in Computer Science Engineering**. Skilled in bridging the gap between **front-end aesthetics and back-end functionality using Python, HTML, CSS, and modern JS frameworks**. Solid understanding of the **Software Development Life Cycle (SDLC)** and cloud deployment basics. Seeking an entry-level role to apply my debugging skills and architectural knowledge to build high-performance web applications.

TECHNICAL SKILLS

- Python, Java
- HTML, CSS, JavaScript
- SQL, MS Excel, MS PowerPoint, Tableau

WORK EXPERIENCE

- Designed and developed responsive web and mobile application interfaces using HTML/CSS/JS.
- Gained hands-on experience in application lifecycle, UI basics, and deployment practices.
- Learned cloud computing fundamentals and Generative AI concepts using AWS services.
- Worked with device data ingestion, cloud storage, and real-time monitoring.
- Acquired practical exposure to AWS IoT Core, cloud security, and scalable architectures.
- Enhanced understanding of machine learning workflows, cloud deployment, and AI ethics.

PROJECT

Deep Generative Adversarial Network Framework for Image Deblurring

- Gained experience using a Deep Feature Loss (often via a pre-trained VGG network) to ensure the deblurred image "feels" like the original, rather than just matching pixel colours.
- Implemented a Generator (to deblur) and a Discriminator (to critique), mastering the "min-max" game where the networks compete to improve image realism.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Dr. K.V. Subba Reddy Institute of Technology, Kurnool

July 2022 – Jan 2026

CGPA: 7.9

KNOWLEDGE PURVIEW

- Python Full Stack Development
- Web Application Development
- Data Analysis and Data Visualization
- Artificial Intelligence & Machine Learning

CERTIFICATIONS

- Certification in Public Speaking NPTEL
- Certification in Deloitte for Data Analytics Job Simulation
- Certification in Rooman Technologies Internship
- Certification in AWS Academy Virtual Intern

CURRICULUM ACTIVITIES

- Participated in AWS Academy / NPTEL / Coursera academic programs
- Attended faculty-led technical workshops and seminars
- Participated in college-level hackathons or coding competitions
- Presented technical projects during academic expos
- Took part in technical quizzes and coding events

LANGUAGES KNOWN

- English
- Telugu
- Hindi
